

Important Conditions

- Allottee shall comply with all standards norms prescribed by Pollution Control Board and also arrange to set up their own facilities for effluent treatment
- Allottee shall bear common facility charges (for common services like security, street lighting etc) proportionate to the area allotted in their favour
- Allottee is required to comply with construction guidelines issued by Indian Green Building Council (IGBC) as KINFRA Mega Food Park will be certified under IGBC Rating for Green Campus
- The Mega Food Park Scheme guidelines facilitate the operations of food processing units by providing core processing facilities and other support facilities, particularly for establishing backward linkage with farmers for raw material supply. Allottee may make use of the facilities provided in the Mega Food Park.
- Other terms and Conditions are as given in Land Disposal Regulations (click “Investor Zone” of KINFRA’s website www.kinfra.org)
